

Reetha M

Python Full Stack Developer

Professional Summary

Entry-level Python Full Stack Developer with hands-on project experience gained during training at VTS – Vetri Technology Solutions. Skilled in Python, Django, React JS, and web technologies, seeking a fresher role where I can apply my technical skills and grow professionally.

Education

B.Tech Information Technology at R.V.S College of Engineering And Technology, Dindigul

May 2008 - May 2012

Grade: 69.5 CGPA

Skills

Programming Languages: Python, HTML, CSS, Javascript

Database: Mysql, Oracle

Frameworks & Libraries: Django, Django REST Framework, Flask, React, Bootstrap, Tailwind CSS

Tools & Platforms: Git, GitHub, Docker, VS Code

Deployment: Render, Vercel, Netlify

Certification

Python Full Stack Certification from Vetri Technology Solutions

October 2025

Completed a comprehensive full-stack development program covering Python, Django REST Framework, React, JavaScript, Tailwind CSS, and deployment workflows. Built and deployed real-world web applications including e-commerce modules (product listings, filtering, cart management, user authentication with JWT), responsive UI layouts, REST API integration, and version control with Git/GitHub. Projects were deployed on Render, Vercel, and Netlify, demonstrating full production-ready setups.
